Developmental Stage	The Elements of Music	Auslan

Toddlers	Let's move to the rhythms of the song. Using our bodies to highlight long and short sounds. Let's echo the teacher song by playing your instrument of singing along.	Rain, Awake, Sleep,
Kinder 3	Let's layer rhythmic and melodic sounds. Playing a steady beat on our instrument while singing the melody at the same time, layering not only pitch but the rhythm of the melody and the rhythm of the beat.	Gumboots, Circle, Twinkling star
Kinder 4/Pre-Prep	Let's learn how to differentiate between long and short notes in both playing and name recognition of rhythmic notes: ta-a (minim), ta (crotchet) & ti-ti (quavers).

Reminds me of childhood memories  
Where everything was as fresh as the bright blue sky  
Now and then when I see her face  
She takes me away to that special place  
And if I stare too long, I'd probably break down and cry*

*Whoa, oh, oh  
Sweet child o' mine  
Whoa, oh, oh, oh  
Sweet love of mine*

*She's got eyes of the bluest skies  
As if they thought of rain  
I'd hate to look into those eyes and see an ounce of pain  
Her hair reminds me of a warm safe place  
Where as a child I'd hide  
And pray for the thunder and the rain to quietly pass me by*

*Whoa, oh, oh  
Sweet child o' mine  
Whoa, oh, oh, oh*
